Spotlight

(a series on what we love to do)

2021 Sponsors

For this month's spotlight....

Club VP Deonna Shake posted on Steamboat Strava asking us what our goals were for 2022. Here are some responses:

- ♦ John Pugsley - break 30 minutes at the Thursday Nite Time Trials
- ♦ Harley Hall - hit 8,000 miles and enter as many rides as possible starting with the Steam-n-Wheels in March
- ♦ David Neal - Even though he's moved to Las Cruces, David is still a club member and he wants to hit 10,600 miles!
- ♦ Thomas Beatty - ask me in the Spring—I want to get winter over first!
- ♦ Mark Spurlock - Keep those wheels down; make it to 5,000 miles; and have a 100K each month!
